PACKAGE PRICE: 1 890 000 HUF

There is no obligation to pay when signing the contract; we do not require a deposit or advance payment. Payment is always due on the day of discharge following the birth.

You may settle the bill using a credit card, cash, or a combination of these methods.

Please let us know of any other payment requests when signing the contract or if you have private health insurance.

If you have any questions regarding scheduling an appointment to sign the contract or visiting the clinic, please feel free to contact our delivery coordinators using the contact information below.
